

WCARC Meeting Minutes – July 12, 2016

The July 12th meeting of WCARC was called to order by John KD4WX @ 7:03pm CDT.

Introductions were made by 9 members in attendance. June's meetings minutes were read and accepted as read by NN9J and motion was made by NF9G.

John (KD4WX) announced of the available VHF Motorola Rptr that was 2 yrs out of service for club use. Reserved frequency and install to be determined at a later date. Bob (N9IWJ) discussed possible acquisition of some retired hard line coax from 911 center. Information forthcoming.

The BAM program was discussed by Will (KW1LL) that provides school supplies w/ backpack to under privileged children of WHITE CO.

Details were discussed and volunteers were requested.

Rodney (N4DRS) discussed operation times for White county's communications during the Fair . September 2-10. For the hours of 7- 10:30 pm. Contact N4DRS for sign ups and details.

Update for antenna move to be determined at later date. Possible November 2016.

Volunteers were John, Steve, Bob & Rodney. Hardline donation possibly used on existing structure is being addressed by Daniel for use by the club.

Storm reports will be processed on usual frequencies as have been determined by past discussions.

As there were no further business items to be discussed, motion was made by Matt (KE4NYM) and seconded by Kathy (NF9G) to adjourn.

Respectfully submitted,
Steve NN9J
