

WCARC Meeting Minutes - August 14, 2018

After a two month summer hiatus, the August 2018 meeting was called to order by John (KD4WX) at 7:00pm CDT.

Introductions were made, with 7 members in attendance. Roll call was taken. No minutes were read.

John (KD4WX) mentioned a very generous anonymous donation to the club consisting of new 7/8" hard line with mounting clamps, support parts and grounding straps. Details of the installation of coax to be determined at a later date.

The 444.775 machine is back online again and working. Mike (KD4IID) replaced some transistors and restored it to working order. Thanks, Mike! Well done.

The White county fair (August 31st - September 8th) is now taking volunteers for radio duty with Emergency Management.

The DMR presentation by Dale (KC2CBD) was postponed to a later date.

Liberty Square celebration details to be discussed at the September meeting.

With no further business, motion to adjourn was made by Steve (NN9J) & seconded by Will (KW1LL). Meeting was closed at 8:00 pm CDT.

Special thanks to KW1LL for taking meeting minutes in my absence.

Respectfully submitted,
Steve (NN9J)
