Old Business:

The 2 meter repeater is functioning normally. The issues with the 70cm are still ongoing.

Will is completing the ARES cards and will be taking them to the post office to mail when all are complete.

We are still looking for net control operators for July and later. No volunteers heard but we will make announcements on the weekly nets to fill Net control slots.

Will has not been able to contact Daniel (KK4MKZ) about the Lester Flatt Festival. Will to report progress next month.
