

White County Amateur Radio Club Meeting - September 14, 2021

The meeting was called to order by Will KW1LL at 7:45 PM.

The minutes of the previous meeting were read by Jay, WS4JM. John, KD4WX, moved to accept them as read, seconded by Will, KW1LL.

New Business: The 443.775 repeater back on line. We would like to give special thanks to Mike, KD4IID, and Daniel, KK4MKZ, for their efforts in getting the repeater back on the air. The 146.685 is functioning normally. John asked if we would use the 443.775 repeater and to monitor its functions.

Old Business: There was no old business.

John gave us a quick weather report as storms will be moving in overnight and asked for participation on a weather net tomorrow if needed.
