

White County Amateur Radio Club Meeting - November 9, 2021

The meeting was called to order by Will, KW1LL, at 7:45 PM.

There was no October meeting. The minutes of the September meeting were read by Jay, WS4JM. John, KD4WX, moved to accept them as read, seconded by K1MBF Larry.

Old Business: The 443.775 repeater is back on line. John asked if we would use the 443.775 repeater and to monitor its functions. Jay suggested we use the 443.775 repeater for our weather nets. All seemed to think this was a good idea. John moved that we have our weather nets on the 443.775, seconded by Will and accepted by all present.

New Business: John moved we skip the December meeting due to the Holidays and people traveling. The motion was seconded by Me, WS4JM, and accepted by all.

John moved to skip annual membership dues for 2022, seconded by Will and accepted by all.

John reminded us that we will have elections in the January Meeting for our 2022 officers.

John, KD4WX, moved to adjourn and seconded by Me, WS4JM. The meeting was closed at 7:56pm.

Respectfully Submitted,
Jay Muciek
WS4JM
