

Minutes of the White County Amateur Radio Club Meeting 03/14/2023

The meeting was called to order by Will KW1LL at 7:45 PM

The minutes of the January meeting were read by Jay WS4JM. KD4WX John moved to accept them as read, seconded by KD4IID Mike.

Old Business:

Still no communications about the Hospital Net and the equipment required. Will to follow up with Justin N4CCP

The Emergency Center is looking to add some amateur radio equipment.

New Business:

Congratulations to Mike KD4IID for passing his General Exam

We are still looking for net controls for April and after. Jay suggested we consider rotating weekly to attract more volunteers for net controls. Will thought we should table this for now so that members can consider whether that would be an advantage.

The Upper Cumberland Health Coalition is going to be putting on some Amateur Radio classes, starting with Technician. Mike estimates they have about 100 people interested. He will advise further when dates have been established.

John reported that the repeaters were running normally with no issues.

John KD4WX moved to adjourn, seconded by Jay WS4JM and the meeting was closed at 7:53pm. The net had 13 check-ins.

Respectfully Submitted
Jay Muciek
WS4JM
