

Minutes of the White County Amateur Radio Club Meeting 04/11qw/2023

The meeting was called to order by Will KW1LL at 7:40 PM

The minutes of the March meeting were read by Jay WS4JM. KW1LL moved to accept them as read, seconded by KD4WX John.

Old Business:

Will to check with Mike and Justin on status of Hospital net

The Emergency Center has some money to add communication equipment, hopefully some amateur equipment so that they can also communicate with us directly.

New Business:

We are still looking for net controls. Will volunteered to be net control for May.

Jay asked if there was any interest in resuming in-person meetings. Will agreed to send an email to all the club members to get their input.

John reported that the repeaters were running normally with no issues.

John KD4WX moved to adjourn, seconded by Jay WS4JM and the meeting was closed at 7:55pm. The net had 13 check-ins.

Respectfully Submitted
