Old Business:

It was determined that a majority wished to resume the in person meetings. Jay suggested the meetings should start in September after summer vacations. There were no objections. Will is to contact the Methodist Church to ensure we have a meeting place and will advise at our next meeting.

The radio equipment is up and running at the Emergency Center. Contact Mike KD4IID for information on its operation.

There has been no update on the status of our participation in the Hospital Net.

New Business:

Will to provide Joan an updated club roster.
Net Controls for upcoming months:

July WS4JM
August: Open
September: KW1LL
October: Open

John reported that the repeaters were running normally with no issues and gave a brief weather prediction, more rain and storms.

Jay WS4JM moved to adjourn, seconded by John KD4WX and the meeting was closed at 7:50pm. The net had 12 check-ins.

Respectfully Submitted
